

# “Global Discussion on IDAC Research”

**Lecturer: Akira Yasui**

**Title: “Curiosity and Smart Aging”**

**September 29, 2016. 16:30~17:10 at Global Room**

Curiosity is an ability of human being to help understand the world and beyond. Importantly, curiosity is individual and deepens with age, suggesting its role in “Smart Aging”. English learning, aging research and religion will be discussed in the context.

加齢研の研究者をつなぐ「ミニ集談会」です。研究や研究に関わる重要な課題の講演と討論を通じて研究領域を越えた相互理解と英語の上達を目的とします。加齢研メンバーは是非ご参加下さい（安井 明 & Andy）
